## Family Funeral Service

*The Personal, Caring  
Approach from  
Lady Funeral Directors.*

We are a family business dedicated to upholding the traditional values of respect and dignity and providing the very best of care for bereaved families.

A bereavement can often be a distressing and bewildering experience and our first duty is to offer our professional and sympathetic guidance and to deal with all necessary formalities and arrangements which may be required. This essential service complements the aid provided by doctors, the clergy and other professional advisors.

Our further aim is to provide a complete funeral service and to ensure that funerals are conducted with dignity, care and compassion.

Our Funeral Directors and First Response Team are on call 24 hours a day, 365 days a year to offer expert advice and practical support.

### Our caring and professional services include:
