## About

---

A funeral plan leaves nothing to chance and provides peace of mind for you and those you care about.

At Hunnaball Family Funeral Group we firmly believe that it is essential that our products are transparent and give true value for money.

With our Funeral Plans we not only guarantee no additional costs for our services, but also no additional charges for disbursements with cremation.

Please note this “Guaranteed Disbursements Policy” is specifically provided by Hunnaball Family Funeral Group and if you move to another funeral director the guarantees may not apply.

## Important Information

---

Doctors' Fees: Changes to legislation introduced in May 2015 mean there is no longer a charge for doctors' certification for cremations in Scotland. Similar legal changes are being considered for the rest of the UK, so in anticipation of this we have removed the cost of these doctors' fees from all of our plans. If the funeral takes place outside of Scotland and before the legal changes are made throughout the UK, then, if applicable, the doctors' fees must be paid by the next of kin or personal representative at the time of the funeral.

\* Up to recommended fee for cremation as made by Church of England Stipend Authority

† Excludes Fixed Monthly Payment Option.
